

Hayling Island Lifeboats Friends and Supporters Association

<http://www.haylinglifeboats.org.uk>

The **Hayling Island Lifeboats** and **Lifeboat Station** are manned by a dedicated group of volunteers, taking an active role in saving life at sea. It is recognised that we also enjoy the support of many in the local community who not only give generously to support our local station but actively maintain an interest in our operation.

We would like to give you, our supporters, more information about the **Hayling Island Lifeboats** by forming a local Supporters Association.

Sign up for:

“Hayling Island Lifeboats Supporters Association” – “HILSA”

Membership is - **Free**

We will keep you informed of some of the interesting activities by newsletter (2 per year) and organise your own “open day” to meet the crew and see the boats in action.

The information you give will be held at the regional office. This enables us to have more complete records of our supporters and the information will be added to that which we have on branch committee members.
